

Capability Statement

Parallel Machine Products is a family owned and operated Specialty Machine Shop which has been in business for over 42 years. At PMP we specialize in Precision Machining utilizing CNC Mills, Lathes and EDM'S. We can handle any made-to-order components or prototype runs, as well as short and long term production runs. You name it, we can make it and everything we produce is proudly made in the U.S.A. We are a Small Business that takes pride in creating American Jobs and producing the finest crafted American Products. At PMP quality is our trade mark and customer service is our priority.

Core Competencies

CNC Machine Shop

- ✓ Mass Production
- ✓ Specialty Runs
- ✓ Machine Shop Services
- ✓ Contour Turning
- ✓ Tolerance +/- .0005
- ✓ Made To Order Components
- ✓ Mill Work
- ✓ Lathe Work
- ✓ Specialty Prototype Runs
- ✓ Custom Fabrication
- ✓ CAD Design
- ✓ Reverse Engineering
- ✓ Custom Laser Etching
- ✓ Surface Grinding
- ✓ CNC Thermal Shape Cutting
- ✓ Weld Repairs
- ✓ Replacement/Spare Part Mfg.
- ✓ Custom Precision Repair
- ✓ Modification of Machinery
- ✓ Keyence CMM Inspection Machine
- ✓ Tool Tracking Crib

Inspection Services

- ✓ Complete Inspection Services
- ✓ Coordinate Measuring
- ✓ Magnetic Particle Inspection
- ✓ Hardness Testing
- ✓ Liquid Penetrant Inspection

Company Snapshot

Gov. Business POC: John K. Blyth Sr. - President

Phone: (847) 359 - 1012

Fax: (847) 359 - 1039

E-Mail: pmimachine@gmail.com

Address: 255 Woodwork Ln. - Palatine, IL 60067

Work Area: National

Socio-Economic Status:

- ✓ Small Business Enterprise

Differentiators

- ✓ In business for over **42 Years**
- ✓ Rock solid financial stability
- ✓ **All products are made in the USA**
- ✓ Extremely high precision equipment & machine technology
- ✓ Robust ERP/MRP to handle the daily workflow of parts

Our **Process Improvement Manufacturing System** insures we optimize the task flow of parts and services which makes our procedures and processes more efficient and thus reduces labor cost. We proudly pass those savings directly onto you, our customer.
